

Study at CUC
Communication University of China
2019

Communication University of China (CUC) is one of China's major universities of "Project 211", directly under the supervision of the State Ministry of Education. Located in the east part of Beijing, CUC occupies 463,600 square meters.

With more than 60 years history, CUC has made such a great contribution to the national business of radio and television that it has gained the fame--- "a cradle of China's radio and television talents". As the discipline evaluation results of 2012 State Ministry of Education showed that the subject "Journalism & Communication" and "Drama Film & Television" of CUC ranked the first, "Art Theory" and "Designing" ranked top 10. CUC was selected in the "First Class Disciplines and First Class Universities" list which was released by Chinese authorities in 2017. The disciplines of "Journalism & Communication" and "Drama Film & Television" of CUC remains top 1 in China.

So far, there have been 5 faculties, 2 Research Centers and 1 institute directly under the university. Now, there are nearly 14,000 full-time students in the CUC, including over 9,000 undergraduates, more than 4,000 candidates for doctor and master degrees, and more than 10,000 students in programs of continuing education.

CUC has established cooperative partnership with over 200 universities, research institutes, and media institutions in different countries and regions. Over 1000 international students from more than 100 countries and regions study at CUC annually.
